

CALL FOR PAPERS: PROTOLANG 2009 CONFERENCE VOLUME

We are pleased to invite you to contribute to the Protolang conference volume, which will be published as a special issue of *Theoria et Historia Scientiarum. THS* is an international journal published by Nicolaus Copernicus University in Toruń; it focusses on interdisciplinary research in the cognitive sciences, with the biological/evolutionary perspective being an important motif. *THS* was founded in 1991 and has since featured papers from a number of leading cognitive scientists.

The articles of 10 to 20 pages should be sent by e-mail to protolang@umk.pl as .doc or .rtf files no later than the **31st of January 2010**. The articles will undergo external revision.
